

A.C.E.

Attitude, Character and Effort

After being off for nearly a full season due to an injury, Morgan has picked up right where she left off in being an active leader on the team. She communicates with her teammates both on and off the court to ensure team unity. As a starting setter, she leads the team in assists but isn't afraid to hit the floor for dig. Morgan also makes sure that younger players are included and takes time to teach and encourage other players with her personal spunk and enthusiasm!
