

GHS Sept. Students of the Month

Blake is a student that is driven to complete high quality work, on time. He is also willing to help others with questions in class.

Jaden is an example of a well-rounded student. She is active in numerous activities at GHS and maintains high academic performance in the classroom.

Garrett has contributed greatly to all his classes, willing to help anyone who asks for it. There are classes in which he has given up a huge amount of class time to help his fellow students and is still able to complete his tasks on time and well. That paired with his great attitude is why he is a deserving recipient of Student of the Month.

Ryan is great to have in class. Listens well, completes quality work, does not hesitate to ask questions. Ryan really understands what it means to be an active participant in school.
